

BOOK OF THE MONTH SUMMARY

FOR MEMBERS

OVERVIEW

Sustainability for Healthcare Management

A Leadership Imperative

by Carrie R. Rich, J. Knox Singleton and Seema S. Wadhwa

Key things you will learn.

- What sustainability means
- Why health care providers should practice sustainability
- How to build sustainability in your health care business

Overview.

Hospitals can be corporate role models in practicing sustainability and in helping prevent the very diseases and condition that bring patients to their doors. The authors use real-life examples and stories from a fictional hospital to describe how hospitals and health care providers can make a difference.

About the Author.

J. Knox Singleton is CEO of Inova Health Systems where leadership development expert Carrie R. Rich is an executive staff member. Seema S. Wadhwa heads sustainability initiatives at Inova and at Urban Ltd., an engineering and design firm.
